

# 2014 Mid-Year Circle of Blessing NewsPage

## *Open Church Ministries*

---

After more than two years of planning, our trip to Denmark is set for June 4-18, 2014. We go to one of the most secular countries in the world where 80% of the population claim allegiance to the National Lutheran Church—most in name only. Denmark has a very small Charismatic/Pentecostal presence with only about 5,000 members and adherents throughout the entire country.

Denmark is a Scandinavian country located in northern Europe. It is the southern-most of the Nordic countries, bordered by Sweden to the east, Norway to the north and Germany to the south. Denmark also shares borders with the Baltic Sea and North Sea. The Kingdom of Denmark comprises Denmark, Greenland, and the Faroe Islands. The total area covered by the country is 1,370,000 square miles and the estimated population is 5,671,050.

Our hosts are Pastor Joel Raburn and his Danish wife, Anne-Matte. Joel and his wife moved from Florida back to Denmark about two years ago to assume leadership of Gospel Church (pictured on the left), an evangelical Pentecostal church situated near the center of Copenhagen. We are scheduled for a 3-day Pentecost Weekend, June 6-8 at Gospel Church.

We are going to Denmark to share the Power of Blessing, teach and demonstrate open church principles, pray for needs and expect to see the Holy Spirit move in miraculous ways. Already, the people of Gospel Church are anticipating a unique move of God this Pentecost weekend. We believe this will be the beginning of a special outpouring of God's presence and power.

In addition to ministry at Gospel Church, we will travel to other places in Denmark, June 10-16, where people are praying and anticipating unusual meetings.

Here's the Budget: \$3,500.00 Airfare and travel within Denmark

1,800.00 Lodging

1,200.00 Food & Miscellaneous
