2015 Fall Edition

*“This mission trip to Africa changed my life! I could not have gone without the support of Open Church Ministries.”*

This response from our granddaughter, Kayla, underscores the powerful effect this trip to Kenya, Africa, (June 25-July 5) had. Your generosity and prayers coupled with God’s protection and favor impacted not only Kayla’s life, but many people in Kenya. Thank you, dear Saints, for your help in meeting the needed budget for this trip.
