## 2015 Year-end Edition

THE LAST TWO YEARS are some of the most productive for Open Church Ministries. This is a fitting tribute to the memory and legacy of Jim Rutz to whom we owe an unspeakable debt of gratitude for opening the church up to every-person-participation and asking us to help facilitate this throughout the USA and many foreign countries.

Support for the OCM work continues to amaze us. And, it isn't just about money, but the encouragement you give through personal contacts, prayers, and blessings as well. Now, make no mistake about this. We could **not** do ministry on the current level without your financial undergirding. We cannot boast of "financing our own campaign" as one political candidate does. Money, yes, but just as importantly, we **must have** your prayers and blessings for the ministry detailed below.

### Here are some footprints where OCM has been during the past two years:

- We continue to oversee open house church meetings in Sardis, Georgia, each Tuesday night.
- Denmark was our out-of-the country trip in June of last year.
- OCM sponsored/financed Kayla Parker (our granddaughter) to Kenya, Africa this year.
- We ministered in Ohio, Florida, North and South Carolina, Georgia, and Colorado.
- With your financial gifts to OCM, we gave mission support to work in Ireland, Puerto Rico, and several local needs, including Habitat for Humanity.
- 500 Spanish copies of *The 2 Minute Miracle* were donated for distribution in Puerto Rico, Florida, New Mexico, and Georgia. Also several thousand copies of *Cotton Tales* and *The 2 Minute Miracle* were distributed across the USA, in addition to many of our teaching DVDs and CDs.

The big task facing me (Lynn) during 2016 is to finish the new book I've been working on for the past three years. This goes far beyond our best-selling book, *The 2 Minute Miracle*, by exploring positive thinking and speaking that brings health and healing to our body, emotions, and spiritual life. More about this later...
